

# Elevating Small Businesses With Clarity and Tax Efficiency

LOMNESS CPA  
TAX & ACCOUNTING SERVICES

CPAs and Advisors who are your  
financial guidance experts...

As a business owner you have passion and talent, but finances can be a source of stress and frustration. Ever wonder if you're handling taxes and accounting correctly? Or how to optimize your tax efficiency to accumulate wealth?

At Lomness CPA, we provide clarity and confidence around your business (and individual) finances, so you can focus on your purpose.

We believe that "pro advice" is more than *professional*- it's also *proactive*. We've helped hundreds of small business owners learn and implement business and financial best practices that accelerate their path to accumulating wealth.
